### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Mr. Jude Cooney (Reg. No.54,045) on May 28, 2004.

The application has been amended as follows:

Cancel claims 6-14.

3. The following is an examiner's statement of reasons for allowance:

The Amendment filed March 12, 2004 has overcome the rejection set forth in the Office action sent December 17, 2003.

The limitations of rolling rectangular sheet into a cylinder to fit said plurality of first dovetail convexities and concavities and said plurality of second dovetail convexities and concavities to each other; and punching said plurality of first dovetail convexities and said plurality of second dovetail convexities at middle portions of borders thereof generally equally at the same time so that the first and second convexities equally deform to fill gaps at the borders and tightly fit to each other, in combination with other presented limitations, are neither disclosed nor taught by the art of record.

Art Unit: 3713

Claims 1-5, therefore, are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
